The Montgomery High School Alumni Foundation (MHSAF) is hosting our 10th annual Polenta Feed and Silent Auction on March 29th from 5-9pm at Church of the Roses in Santa Rosa. The MHSAF is a 5013C non-profit corporation with the purpose of raising funds to enhance the educational and extracurricular opportunities for the Viking students, staff and alumni. Our Foundation runs on the support from our community and alumni.

We are asking for donations to support our fundraising event, and hope you'll consider contributing. Your support will help us maintain our purpose of supporting Montgomery High School programs, staff and students.

Our silent auction promotes the best of Sonoma County! We're seeking contributions that highlight local businesses, products, services, and experiences including gift certificates, artisanal goods, and unique offerings. Donations provide exposure for your company or brand, while supporting a worthy cause.

Thank you for your consideration.
